

THE LIFE PLAN

Why it Matters: Clarity leads to confidence giving disciples the courage to put the Life Plan into action.

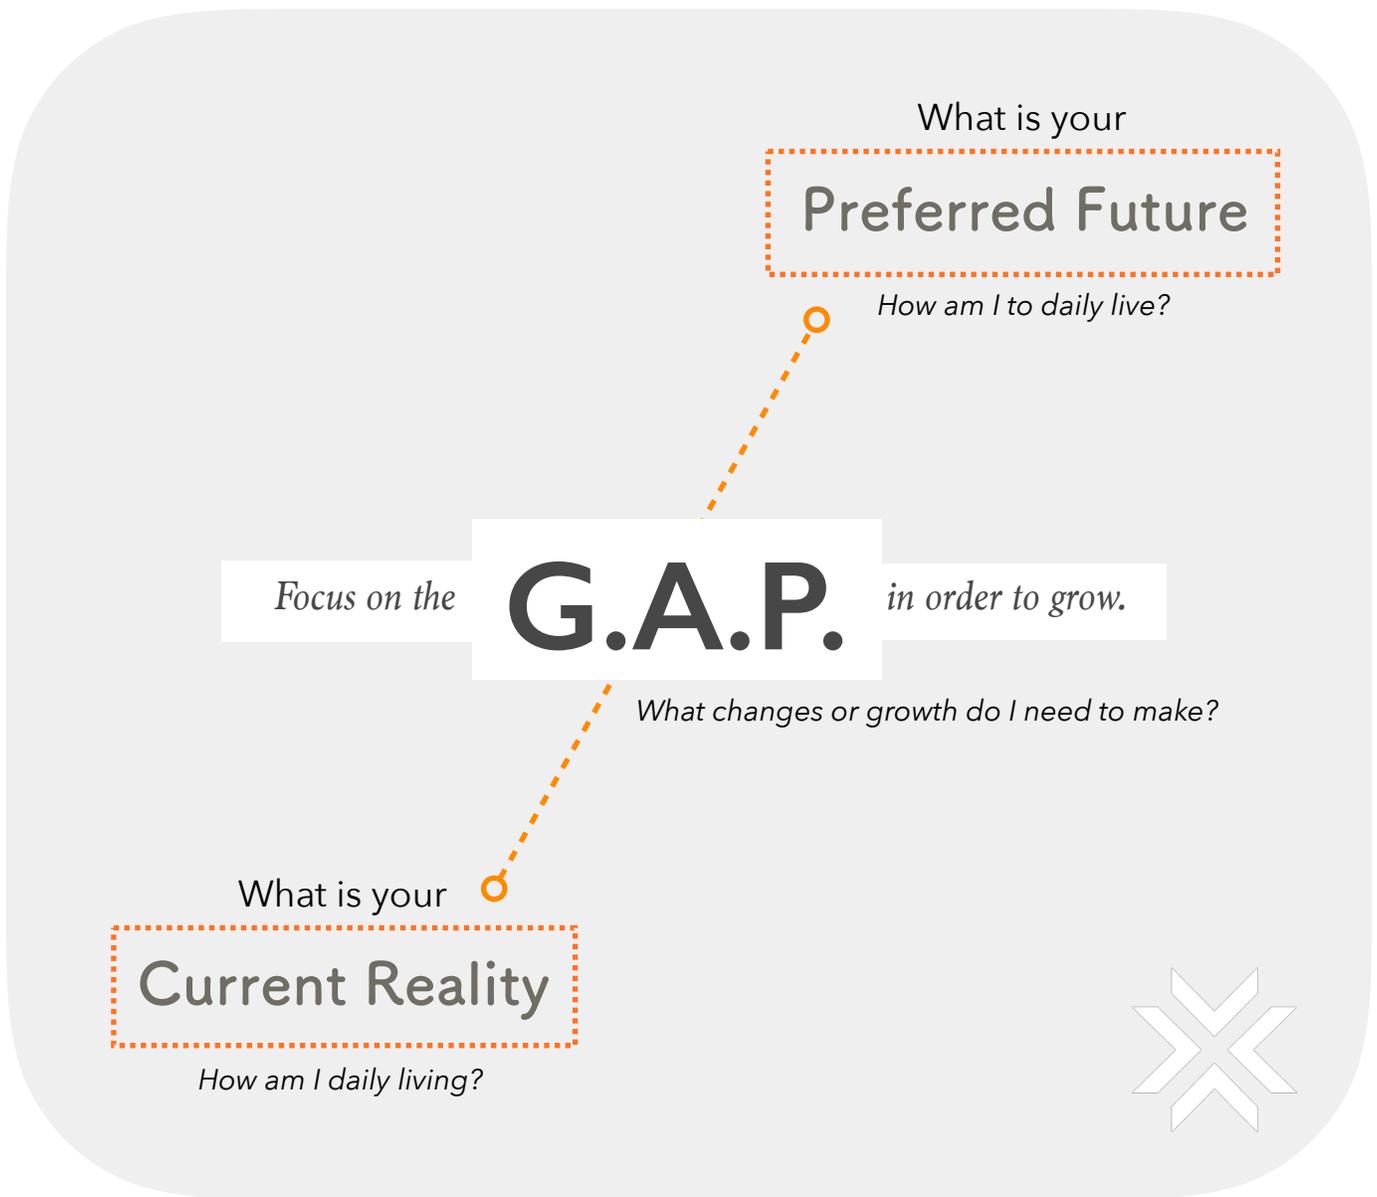

The Life Plan is an integrated whole to be lived out by faith each day until it is the lifestyle of the disciple-maker.

THE LIFE PLAN

From Your Current Reality to Your Preferred Future

Live it Out:

.....
In our home. (Deut 6:4-7)

In our circle of influence.
(2 Tim 2:2)

Intro to the Life Plan:

The Life Plan is God's way to help us live an eternally abundant and purposeful life in all circumstances. It is an integrated whole to be lived by faith each day until it becomes the disciple-maker's mindset. A lifestyle to be learned and lived out over a lifetime (John 10:10b; Romans 12:2b; John 3:16).

We've found that there are two primary relationship circles in which to train disciple-makers using the Life Plan:

1. In our home. (Deuteronomy 6:4-7)
2. In our circle of influence. (2 Timothy 2:2)

Our passion is to build the home using the Life Plan in order to help every faithful man and woman of God develop clarity, confidence, and the courage needed to train the next generation of disciple-makers. Imagine if every family in the church attempted to obey God expecting Him to fulfill their attempt with His power. We would have more and more healthy homes serving the local church. If our homes are built and rooted in Scripture we will inevitably build healthy churches equipped to help as many people as possible meet, know, and follow Jesus.

Remember, the Church is not a building, it is a movement of God we are called to be part of. We cannot go to *church* because the *church is you and me*. Since we are the church, the best way to live a Christ-like lifestyle is to begin training disciple-makers in the home and then within our circle of influence. We believe this will help families win at life to the fourth generation (Matthew 28:18-20; 2 Timothy 2:1-2).
